6. The cadre of Asst. Comrs has been fixed as 68 in Rule XIII (1) of the Civil Service Rules of 6.1.1913. The data on which it was so fixed are also contained in it.

7. This number has since been reduced to 66 on account of the abolition of one of the Sub Divisions in the Bangalore Dt and the appointment of a deputy Controller.

8. Recruitment ~~made~~ to the grade of Asst Comrs is made in accordance with the said Civil Service Rules.

9. The training to be given to Pro. Asst Comrs is detailed in G.O. No. G. 1145 3-66 Fin 97-14-1 of 22-4-1915.

10. The file containing the second Member's proposal regarding a change in the programme of training to be given to Pro: Asst Comrs under the G.O. of 22.4.15 referred to above was submitted to the Secretary on 23-1-1917.

1) Of late the work of the administration of the State has been growing.

2. The increase of work in the Rev. Dept is specially striking. It has been recognized in G.O-No. $\frac{R\ 6185-233}{ZR\ 6411-13-14}$ of 16th December 1916, ordering the decentralization of work in that dept. This order directs that the Dy: Comrs of Dts should not be in direct charge of Taluks. Hence the extension of the Sub-divisional system to the Taluks now in the direct charge of Dy: Comrs has become necessary and in consequence each Dt would need the services of an additional Asst. Comr., but it would be enough for the present if four additional Asst. Comrs are appointed.

In his note of Inspection of the Bangalore Dy: Comr's office the Second Member of Council has observed as follows:- "Since the introduction of the Disposal Number system, much of the confusion has disappeared; but having regard to the nature of the work in the Dt. office, I am convinced that in regard to the heavy offices, the Deputy Comrs should have an Asst. Comr. at Headquarters so as to enable the latter to attend to routine business under the Dy: Comr's personal supervision and the former to attend to the general administration of the Dt and direct supervision over new schemes and measures."

In his minute dated 24.2.17 the Second Member has also recorded that the requirements under additional offices are —

19). When the scale of officers for the General and Revenue Secretariat was fixed at 7 in January 1913, there were only five branches. Owing to the subsequent Creation of another branch viz Br. VI necessitated by the increase of work, one more Asst. Secretary has been appointed for the charge of that Branch. At present the work of the Secrett has increased further generally in all the Branches, as can be gathered from the half-yearly reports about the working of the office. The transfer of the work of the Military and Geological Secretariats to this office and the holding of an additional Session of the Representative Assembly have made the work of the Secretariat still more heavy. The need for the services of an additional officer having been felt, one was appointed temporarily up to the end of June 1917 in G.O. No. G.-7764-70 Fin. 226-16-10 d. 9.12.1916. Moreover for the charge of Branch VII the services of a Superintending Asst: Secretary are necessary. Hence the scale of officers for the Secretariat has to be raised from 7 to 10.

20). Owing to the development of the Cauvery Reservoir Project and the expansion of Railways in the State,

the work of the Audit Offices of the Public Works and Railway Accounts has increased. In order to cope with this increased work and also in recognition of the importance of Inspection work as leading to improvement in the efficiency of audit, two additional officers of the rank of Asst. Comptrollers have already been temporarily appointed — One for audit of Public works accounts and the other for audit of Open line Railway Accounts.

5. For the protection of the State Railways the need for a separate Supdt. of Police has been made out and an officer has already been appointed as such temporarily.

6. For the foregoing reasons the Cadre of Asst. Comrs., has for long to be increased.

21). The Sanctioned permanent strength of the Cadre is 68, but this has been reduced to 66 on account of the temporary abolition of one of the Sub Divisions in the Bangalore Dt and the reduction of the Cadre by one on account of the appointment of a Deputy Comptroller. The Cadre has now to be increased by 16 thus raising it to 82.

22). It may be mentioned here that though it is proposed to increase the Cadre by 16, the actual increase has to be taken as only 10, the other 6 being really nominal — 5 counting against appointments already sanctioned though temporarily and 1 against the abolished Sub-Division in the Bangalore Dt which has to be revived.

23). The following is a Comparative Statement of the present and the proposed scale of appointments of Assistant Commissioners :—

34. I shall take up the several items one by one and state a few facts relating to each.

35. Two Assistant Secretaries for the G. R. Sectt

The statement prepared by the Assistant Secretary, Finance, shows that in the Madras Secretariat there are 4 Secretaries, 5 Under & Assistant Secretaries and 4 Registrars or in all 13 Officers. In Bombay, there are 3 Secretaries, 2 Deputy Secretaries, 7 Under and Assistant Secretaries, that is, in all 12 officers. In Mysore, we have 4 Secretaries, 5 Under and Assistant Secretaries and 1 Registrar, i.e. 10 officers, besides the Efficiency Audit Officer, Assistant to the Secretary, Economic Conference who is a part-time Assistant Secretary. There are, moreover, two temporary Assistant Secretaries in Mysore. The numbers speak for themselves, and I am unable to agree that the two temporary Assistant Secretaries in the General and Revenue Secretariat should be made permanent.

36. One Superintendent of Police for Railways.

This appointment has been sanctioned temporarily by Government. If and when this appointment is sanctioned permanently, the addition of one to the cadre of Assistant Commissioners may be made on this account.

GPB—20,000—30-6-15

Serial No.

37. One Assistant Secretary for Muzrai Branch.

As this item has received His Highness's sanction the addition of one Assistant Commissioner on this account is admissible.

38 3 New Sub-Divisional Officers.

It is for consideration whether an increase in the number of Sub Divisional Officers by 3 is necessary. If the Deputy Commissioners are to be relieved of direct charge of taluks, this may be effected by adding these taluks to the existing sub Divisions. The average population of a Sub Division in Madras is $\frac{414,05,404}{106}$ or 3,90,617. The corresponding figure in Mysore, if the whole State is divided into 17 sub divisions would be $\frac{57,05,359}{17}$ or 3,35,609. So, compared to Madras, our Sub-divisions without any increase in their number cannot become excessively heavy, even if Deputy Commissioners are relieved of direct charge.

39. 4. Personal Assistants to Deputy Commissioners

As all departments under the Deputy Commissioners are under responsible Gazetted Assistants it is not clear how it will facilitate business to interpose a Gazetted officer of status equal to the Gazetted Assistant between the Deputy Commissioner and his departmental Gazetted Assistant. In Madras, only some of the Collectors are given

NOTE—Contn. sheet.

GPB—20,000—30-6-15

Personal Assistants. In Bombay practially none. The size of our Mysore Districts is small when compared to large Districts in the British provinces. (Vide table attached). Some of the Headquarters Assistant Commissioners in Mysore State can spare some time to act as a sort of Personal Assistants to Deputy Commissioners. For example, in Bangalore, the Civil Officer, and in other places, the Treasury Officers who have not got full work all the year round. As regards work connected with Economic development etc. separate establishments have been given. The best course seems to be to leave the Deputy Commissioner in direct touch with the officers in charge of departments who may themselves act as his personal Assistants as far as their respective departments are concerned. If any delegation of power is necessary it should be to the departmental Gazetted Officer.

(4) Two Assistant Commissioners to be in reserve for emergencies.

There is always a number of Civil Service Probationers, about eight, available for emergencies. In the next place, about 30 Probationers, all Graduates, are being appointed to the various departments. Assistant-Commissionerships are not technical appointments but Amildars, Secre-

tariat Superintendents, and various other classes of officers can always be called upon to fill up vacancies amongst Assistant Commissioners. Under such circumstances, the reservists are not necessary.

General Remarks.

41) The scheme for the separation of the Judicial and the Executive functions is under the consideration of Government. There will be a considerable readjustment in the duties of Assistant Commissioners in charge of Sub Divisions if that scheme is wholly or partly given effect to. In these circumstances the present moment seems to be inopportune for effecting a large increase in the cadre of Assistant Commissioners.

Our establishments have been frequently criticised as top-heavy. The Special Officer Mr. K. Datta also has remarked (para 26 of his financial settlement note) that any additional funds allotted for departmental reorganisation should be spent chiefly in improving the pay and prospects of the ministerial and subordinate establishments and not for the benefit of the Gazetted staff.

42) I am therefore respectfully of opinion that no case has been made out for increasing the cadre of Assistant Commissioners from 66 to 80, a measure the annual cost of which comes to about Rs.60,000 per annum. One additional appointment may be made on account of the creation of Assistant Secretaryship Muzrai Branch in the Secretariat.

43) A note on the subject by Mr. B. Srinivasa Iyengar

NOTE—Contn. sheet.

GPH—70,000—17-12-15

Assistant Secretary, Finance department is also appended.

(44) Moreover, and this is the most important argument from the financial point of view--under the financial settlement scheme recently framed by Mr. Datta and provisionally accepted by Government for three years there are no funds under "Direct demands on Revenue" or under "Civil administration" for further increase of expenditure, before the revenues of the State expand. The sum of one lakh provided for reorganisation of Land Revenue establishment is urgently required for improving the prospects of the ministerial staff and if a part of it is utilised for creating new Assistant Commissionerships a much needed reform and relief will have to be proposed. Additional funds are not available as will be clear from the pro forma account given on page 66 of the Budget Estimates for 1917-1918.

Financial Asstt Secy's note

45) Two statements showing the number of Officers corresponding to Assistant Commissioners in Mysore in the two provinces of British India - Madras and Bombay - under Land Revenue and General Administration as compared with that in Mysore are put up.

46 2. It will be seen that the number of officers in the General and Revenue Secretiat in Mysore is at present large enough and the proposed increase of - three officers permanently does not appear justifiable.

47 3. Under Land Revenue the total number of Assistant Commissioners for the charge of Sub Divisions is also large enough compared to that in the 2 British Provinces. The number of Sub Divisions prior to enhancement effected a few years ago was 20 and that number is now proposed to be restored, as Government have passed an order recently in December 1916 re decentralisation of work in the Revenue Department that the Deputy Commissioner should be relieved of direct charge of any Taluk. It is a point for consideration however, whether the increase asked for would be necessary in the event of the scheme of separation of Judicial and Executive Functions being taken for consideration at an early date.

48 4. As regards the proposal to give four - Personal Assistants to the Deputy Commissioners at Bangalore, Mysore, Tumkur and Shimoga, it may be - pointed out that at present the Treasury officers at the respective places act as Personal Assistants. In Bangalore, there is, besides, the Civil Officer. Even if it is considered that the two Treasury Officers at

Bangalore

19

Bangalore and Mysore cannot afford time to discharge the duties of personal assistants, there is no reason why those at the two other places should not continue as such. The Treasury Officer at Shimoga has been relieved of the duties of Vice President of the Town Municipality. The system of having personal Assistants to District Officers is in vogue in some heavy districts in the Madras Presidency and 13 Collectors have Personal Assistants. But in Bombay proper there are personal assistants to only one or two Collections, viz. at Poona and Dharwar. As it is proposed to relieve the Deputy Commissioners in Mysore of the duties of District Registrar; for all the reasons it may not be quite necessary to give Personal Assistants to Deputy Commissioners.

69. Lastly the increase of 2 Assistants as reserve does not seem necessary in view of the fact that the Probationers about 8 in number are available as an addition to the cadre for all emergencies and that acting and temporary arrangements are generally being made during the several vacancies of sorts.

NOTE.—Flimsy sheets.

GPE 71,670—17.12.15

Submitted to His Highness.

51 I submit herewith a resolution of the Council recommending an increase of the cadre of Assistant Commissioners from 66 to 80.

52. The fourteen additional appointments proposed include the following :-

(1) An Assistant Commissioner for the charge of the Bangalore Sub Division which has been temporarily abolished and which it is now considered necessary to revive,

(2) the three appointments noted in the margin which have been already sanctioned temporarily and are now required to be made permanent, and

1. Assistant Secretary in charge of the E. & A. Branch, - General and Revenue Secretariat.
2. Additional Assistant Secretary General and Revenue Secretariat sanctioned in G.O. dated 9th December 1916.
3. Superintendent of Railway - Police.

(3) the appointment of Assistant Secretary recently sanctioned for the Inzrai Branch of the General and Revenue Secretariat.

53) The appointments to be newly sanctioned are thus only nine and these are required for the following purposes :-

(1) Three Assistant Commissioners for the new Sub-Divisions to be constituted in connection with the extension of the Revenue Sub Divisional system sanctioned in Government Order dated 18th December 1916.

(2) Four Assistant Commissioners for duty as Personal Assistants to the Deputy Commissioners of Bangalore, Tumkur Mysore and Shimoga Districts.

(3) Two Assistant Commissioners to be in reserve for emergencies.

54) The Financial Secretary is of opinion that neither the permanent addition of the three temporary posts to the cadre of Assistant Commissioners nor the creation of the nine new appointments proposed is necessary. But it will be seen from the following paragraphs in which the situation is explained that the proposals of the Council are based upon a careful estimate of the requirements of the several departments concerned.

55.) In the case of the General and Revenue Secretariat, the large increase of work in recent years, which has been already brought to His Highness' notice and the fact that two additional Assistant Secretaries have been actually appointed on this account, point to the need for bringing these appointments on the permanent strength of the Secretariat staff.

56.) The post of Superintendent of the Railway Police has been sanctioned at present for a period of two years. But the appointment has been created for a work which is of a permanent character and liable to expand with the extension of Railways in the State. There is consequently no justification for keeping it indefinitely on a temporary footing.

57) As regards the addition of three Sub Division Officers, the proposal is a necessary consequence of the principle already approved by His Highness of relieving Deputy Commissioners of the District charge of Taluks and has to be given effect to.

58.) The appointment of a Personal Assistant to each of the Deputy Commissioners of Bangalore, Tumkur, Mysore and Shimoga is proposed in view of the heavy work in these districts and in order to facilitate speedy disposal of public business. Both the Revenue Commissioner and the Member of Council in charge of the Revenue port-folio - consider this measure of relief to the Deputy Commissioners

necessary.

59.) A reserve of two Assistant Commissioners has been suggested as considerable difficulty is now experienced in finding qualified officers to fill temporary vacancies in the Assistant Commissioners' grade. The Financial Secretary remarks that the services of the Probationary Assistant Commissioners may be utilised for such purposes. But this or argument can hardly be recommended as it would interfere with the training of these officers for which the probationary period is intended. It may also be pointed out in this connection that the Civil Service Rules of 1906 and 1907 provided for a reserve of 3 officers on account of casualties, absences on leave, deputation etc., of Assistant Commissioners holding regular charges and also on account of Probationary Assistant Commissioners under training. According to the Civil Service rules now in force, there is no provision in the cadre for filling up vacancies arising from absences on leave, deputation etc., while Probationary Assistant Commissioners have neither been included in the cadre nor can be posted to regular charges until the completion of their training. Considering these facts, the need for a reserve cannot be disputed nor can an addition of two officers to the cadre for the purpose be regarded as excessive.

60.) The Financial Secretary also thinks that the present moment is inopportune for effecting a large increase in the number of Assistant Commissioners as the question of divesting executive officers of magisterial functions involving a considerable readjustment of their duties is under the consideration of Government. The scheme referred to is a large one and no final decision as to how far it can be given effect to has yet been arrived. Besides, the separation of Executive and Magisterial functions, to whatever extent it may be effected, is not likely to permit of a material reduction of the number of Assistant Commissioners

but only render a readjustment of their duties necessary.

61) In those circumstances I solicit that His Highness may be graciously pleased to sanction the recommendations of the Council.

the Sub-Divisions in the Bangalore St and the reduction of the cadre by one in consequence of the appointment of a Dy: Comptroller.

2. Since the reduction of the number to 66, considerable need for additional officers has been felt.

On account of the large increase of work in recent years in the General & Rev. Secrt. two Asst Secretaries have been appointed temporarily, but as there is no prospect of any reduction in the work of the Department it is necessary to make these appointments permanent. Recently the appointment of an Asst: to the Mysore Resy was sanctioned in Fo No. 2463-573 Mysr. 82-14-2 dy 2.4.1917, as a part of the sanctioned scheme of the reorganization of the Mysore dept.

The post of Supdt. of Police for Railways has been sanctioned for a period of 10 years in G.O. No. J 1331-3 dy 21.10.16. Hence the appt should be made permanent. The work of this office is of a permanent character and liable to expand with the extension of Railways in the State. There is no prospect for

GENERAL AND REVENUE DEPARTMENTS.

READ—

Rule XIII (1) of the Civil Service Rules issued with Government Order No. G. 3528-75—G. M. 232-12-1, dated 6th January 1913, fixing the cadre of Assistant Commissioners.

Order No. G. 16146-195—G. M. 584-16-1, dated 28th May 1917.

Under the order read above, the cadre of Assistant Commissioners was fixed at 68, but it was subsequently reduced to 66 on account of the temporary abolition of one of the Sub-Divisions in the Bangalore District and the reduction of the cadre by one in consequence of the appointment of a Deputy Comptroller.

2. Since the reduction of the number to 66, considerable need for additional officers has been felt.

On account of the large increase of work in recent years in the General and Revenue Secretariat, two Assistant Secretaries have been appointed temporarily, but as there is no prospect of any reduction in the work of the Secretariat it is necessary to make these appointments permanent. And recently, the appointment of an Assistant to the Muzrâi Superintendent was sanctioned in Government Order No. 2463-513—Muz. 82-14-2, dated 2nd April 1917, as a part of the sanctioned scheme of the reorganization of the Muzrai Department.

The post of Superintendent of Police for Railways has been sanctioned for a period of two years in Government Order No. J. 1331-3, dated 21st October 1916. But the work is of a permanent character and liable to expand with the extension of Railways in the State. Hence the appointment should be made permanent.

The principle of relieving Deputy Commissioners of the direct charge of taluks having been accepted in Government Order No. R. 6185-233—L. R. 641-13-14, dated 16th December 1916, it is necessary to revive the abolished Revenue Sub-Division in the Bangalore District and create three more Sub-Divisions.

In view of the comparatively heavy work in the Districts of Bangalore, Tumkur, Mysore and Shimoga, the appointment of a Personal Assistant to each of the Deputy Commissioners of these Districts is considered indispensable.

As considerable difficulty is now experienced in finding qualified officers to fill temporary vacancies in the grade of Assistant Commissioners, a reserve of two officers is necessary.

3. The Government are accordingly pleased to direct that the three marginally noted temporary appointments of Assistant Commissioners be made permanent, the Revenue Sub-Division of Bangalore which has been temporarily abolished, be revived and ten new appointments of Assistant Commissioners, as described hereunder, be added to the cadre, thus raising it to 80.

1. Assistant Secretary in charge of the Education and Agriculture Branch of the General and Revenue Secretariat.
2. Additional Assistant Secretary, General and Revenue Secretariat, sanctioned in Government Order No. G. 7769-70—G. M. 226-16-10, dated 9th December 1916.
3. Superintendent of Police for Railways.

(i) One to the General and Revenue Secretariat for charge of the Muzrai Branch.

(ii) Three for the new Sub-Divisions to be created in connection with the scheme of decentralization in the Revenue Department.

No. G. 16146-195—G. M. 584-16-1, DATED 28TH MAY 1917.

(iii) Four for appointment as Personal Assistants to the Deputy Commissioners of Bangalore, Tumkur, Mysore and Shimoga.

(iv) Two to be in reserve for emergencies.

4. The scale of appointments of Assistant Commissioners in the several Departments, as now revised, will be as shown in the list appended hereto.

5. The two additional Assistant Comptrollers sanctioned for the audit of Public Works Accounts and Open Line Railway Accounts in Government Orders Nos. Fl. 2243—G. F. 7-14-2 and Fl. 2237—G. F. 171-13-4, dated 27th November 1914, respectively, will continue to be on a temporary footing pending the reorganization of the Comptroller's Office.
